SELLING YOUR SOMERSET PROPERTY

MARKET LEADERS IN SOMERSET EST. 1992

Your Local High Street estate agent

“ **We haven't moved for 45 years** and were quite nervous at the prospect, especially as our cottage is fairly unique. The team came up with a **month-long marketing plan** in order to give us time to get used to the idea of moving and make sure the right buyer was chosen. We secured a **really good buyer** and can now 'scale down' with much of the pressure lifted. **A brilliant service all round.**”

Mr & Mrs H, Somerset

“ I have recently appointed Gibbins Richards to handle the sale of my flat. I would just like to say **how delighted I am with the sale now proceeding**, having had the property on the market with other agents for some length of time. **They have gone above and beyond** the call of duty to help me bring this sale to a happy conclusion. A **professional and friendly Estate Agency.**”

Nick Girone-Maddocks

Director

Originally from North Devon, I moved to Somerset more than twenty years ago and fell in love with its beauty straight away. I knew immediately it was going to be our family's home forever. Estate Agency brings many challenges, but everything we are presented with we give our utmost attention to and helping people through the moving process is one of the most rewarding journeys a person can go on. I am immensely proud of our business and the people we have working with us, who all give their very best every single day.
